

Special Offer for Comfort Protection Plan members only!

You can **save** up to **\$1000** on replacement or rental

As a Comfort Protection Plan (CPP) member, you already enjoy protection against most unexpected repairs, coverage for free parts and labour, 24/7/365 live telephone support and much more. What you may not realize is that you could be saving up to \$1000* on the purchase or rental of a SmartAir furnace and air conditioner. That's a \$500* credit when you rent or purchase a SmartAir furnace and \$500* when you rent or purchase a SmartAir Air Conditioner – **\$1000 for both*!**

Remember, you can take advantage of this offer whenever you need to replace your HVAC system – or even just one piece of equipment at a time.

This is an exclusive offer for CPP members only. So keep this insert in a safe place and take advantage of this offer when you're ready to replace or upgrade your equipment.

* This offer is only available to customers with active Reliance CPP and CPP Plus Maintenance plans and whose accounts are in good standing. This offer only applies to SmartAir (SmartAir Econo, SmartAir, SmartAir Plus) furnaces and air conditioners offered for sale or rent by Reliance. \$500 credit may also be applied toward Indoor Air Quality equipment upgrades purchased when purchasing or renting a SmartAir furnace or A/C. Credit will be applied against Reliance's regular price for the applicable equipment on the purchase invoice or against Reliance's regular rental payment for the applicable equipment on the customer's monthly rental bill, as applicable. Customer must remain an active and good standing CPP or CPP Plus Maintenance plan member for the duration of the time that the credit is being applied to monthly rental payments. Cannot be combined with any other offer. Reliance Home Comfort reserves the right to cancel this offer at anytime without notice.
